A JOURNEY OF DISCOVERY -
CULINARY, CULTURE AND TRAVEL

Let's Go Travel Cook & Tour

Experience Sri Lanka in a different way...
Come on a journey that will delight your senses,
enrich your knowledge and leave you with an
appreciation of Sri Lanka's rich culture and culinary
traditions.

Some of Sri Lanka's best Chefs will mentor you in the
preparation of exotic meals and share their knowledge of
the culture and traditions that influence Sri Lankan food.
They will lead expeditions to fresh fruit, vegetable,
seafood and produce markets. Your hands on cooking
classes are based on local produce and dishes specific to
that region. Imagine cooking Crab Curry on a beach in
Trincomalee, with the sounds of the ocean in the background,
after cooking sit and enjoy your handmade feast.

On this tour, you will travel across Sri Lanka, stay at some of the most beautiful
luxury hotels and villas, create culinary masterpieces and have plenty of free time
to rest and relax, away from the tourist beat. See wildlife at national parks,
waterfalls, tea plantations, train rides, temples, ancient ruins and spectacular
beaches.

Join me on an adventure to show you my motherland Sri Lanka.
